

February 10, 2021

TO: Individuals interested in Grafting
FROM: Chris Ramsey
RE: Grafting Workshop Details

UT Extension Sullivan County will conduct a workshop on **Wednesday, March 17, 2021**. The class will be held at 12:00 p.m. at the **Ron Ramsey Ag Center** located at 140 Spurgeon Lane, Blountville, TN. From Hwy 357 and Hwy 75 intersection, go approximately 1.7 miles on Hwy 75 toward Blountville and turn left on Spurgeon Lane. Space is limited - register soon. There will be grafting knives available for you to use. Call 423-574-1919 if you have any questions.

I have a variety of rootstock available with descriptions on the rootstock details sheet. **You must order a minimum of seven (7) rootstock.** Members of your immediate family such as your spouse or children may share your rootstock.

Please choose the number of rootstocks you wish to receive for the class and instruction from the list below:

- Grafting tape (enough for approximately 20 grafts) and a variety of scion wood available at grafting workshop. Cherry Scion wood is very limited.
- Additional grafting tape and tree tags will be available.

Buds in fruit trees are swelling earlier than normal this year! If you know of a specific tree that you want to graft, cut some scion wood (water sprouts) out of the tree. The water sprouts are the long straight whips that grow vertically in the tree, usually from the top sides of the branches. Refer to sheet included for information on collecting scion wood. Store in the refrigerator (no fruit in refrigerator).

✂.....
Please indicate the number of rootstocks you are ordering. If you have already called the office with your order, the order below reflects what our records show (some cards were returned in the Fall without a name; thus, rootstock was not reserved). You may increase the order if you want more. Orders will be filled as they are returned.

Name _____ Telephone # _____
Address _____ City _____ ST _____ Zip _____
Email _____

_____ M111 _____ M7 _____ Bud 9 _____ Pear _____ Cherry _____ G41

7 Rootstock	\$25.00	35 Rootstock	\$67.00
15 Rootstock	\$37.00	45 Rootstock	\$82.00
25 Rootstock	\$52.00	55 Rootstock	\$97.00

** Please call if you need more than 55 rootstocks.

For Geneva 41 (dwarf) and Pear please add \$1.00 for each rootstock ordered.
