

TEMG Volunteer Service Report

The purpose of this sheet is to help you keep track of your hours and report them to your county Extension office. While we know that TEMG volunteers prefer to be in the garden and community serving and teaching others, record keeping is important to the current and future success of our program.

These hours, mileage and money spent are very valuable in providing evidence of TEMG program impact in your community and are used at a county, state and national level. REPORTING YOUR HOURS CAN BE THE BEST WAY TO GIVE CREDIT TO YOURSELF, YOUR COUNTY, AND THE STATE!
